

Matched Funding

The Endowment for Medical Research is conducting self-funding Six Month Pilot Surveys and are rewarding participants with Match Funding.

Q: What is Matched Funding?

A: Matched Funding is granted to participants by The Endowment for Medical Research who are committed to fulfilling a Six Month Pilot Survey. A Baseline Evaluation Form must be completed and a commitment to complete a progress report every 30 days.

Example: If product cost is \$355.40 for six months, participant will pay \$177.70 plus shipping
