

Complete Schedule for Second Annual Glycomics Medical Conference - October 6 - 8, 2006

Many of the Speakers, Researchers, Professors, and Clinicians will have presentations displayed in the Poster Session in a designated area. The Poster Session may be viewed prior to the Banquet and Training Sessions, during the breaks, and following the sessions. The Poster Session is open to the Scientific Community and General Public FREE of charge. Also, many of the Speakers have expanded presentations in printed form and/or CDs and DVDs in the store front near the Poster Presentation area.

Friday Evening October 6, 2006

4 o'clock Poster Session and Store Front Opens FREE to the Scientific Community and General Public • 5 o'clock through Saturday - Silent Auction as Fund Raiser
☐ 6:00 - 7:00 Private Reception with Dr. Ben Carson and Outstanding Conference Faculty ☐ 7:30 - 9:30 Banquet - Dr. Ben Carson, introduction of Faculty, and latest news
